Assistant Commissioner for Patents
Washington, D.C. 20231

Sir:

In accordance with the duty of disclosure imposed by 37 C.F.R. § 1.56 and §1.97 to inform the Patent Office of all references coming to the attention of each individual associated with the filing or prosecution of the subject application, which are or may be material to the patentability of any claim of the application, Attorneys for Applicants hereby direct the Examiner's attention to the references AA through CT listed on the attached revised form PTO 1449 entitled "List of References Cited by Applicant". A legible copy of each reference is being ~~being~~ ~~herewith~~ herewith.

REMARKS

Identification of the listed references is not to be construed an admission of Applicants or Attorneys for Applicants that such references are available as "prior art" against the subject application. Consequently, Applicants respectfully decline to use form PTO-1449, since this form identifies all of the references cited therein as "Prior Art". As an alternative, Applicants submit herewith a "revised form PTO 1449" entitled "List of References Cited".

Applicants respectfully request that the Examiner review all the references identified on the attached revised form PTO 1449, and that the references be made of record in the file history of the application.

Pursuant to 37 C.F.R. § 1.97(b)(1), it is estimated that no fee is due, as this Information Disclosure Statement is being filed before the mailing date of a first Office Action on the merits. However, if any fee is due for filing this Information Disclosure Statement please charge such required fee to Pennie & Edmonds LLP Deposit Account No. 16-1150. A copy of this sheet is enclosed for accounting purposes.

Respectfully submitted,
